Hi Stacia,

Thank you.

Our Chief of Staff Solomon Rivera will need to confirm if the Councilmember will be able to accept an Honorium based on Ethics Rules.

I can check with him and get back to you next week if that's ok.

Best,

Dina R Andrews

Bio:

"Councilmember Marqueece Harris-Dawson was elected to the Los Angeles City Council in 2015, representing the Eighth Council District. Harris-Dawson has deep roots in the South LA Community, serving as President and CEO of Community Coalition for a decade. At Community Coalition, he championed a campaign to publicize the horrendous conditions of several inner city high schools and the inequities in the distribution of public funding. It resulted in an unprecedented $153 million for school repair and modernization in South LA schools. He galvanized South LA families to address public safety in the most humane and effective way possible, working with law enforcement agencies, city leaders, residents, and businesses to reduce crime and violence by transforming neighborhood parks and decreasing nuisance business activity that foster crime.

As a freshman Councilmember, he authored Proposition HHH, a historic $1.2 billion bond to end homelessness in Los Angeles as we know it. Under the Councilmember's leadership, Proposition HHH passed, with over of 76% approval, to invest in Permanent Supportive Housing for chronically homeless individuals, families, and veterans."

Marqueece Harris-Dawson has deep roots in the South LA Community as he recently served as President and CEO of Community Coalition. In 1995, he joined Community Coalition and his first campaign publicized the horrendous conditions of inner city high schools and the inequities in the distribution of public funding. It resulted in an unprecedented $153 million for school repair and modernization in South LA schools. He galvanized South LA families to address public safety in the most humane and effective way possible, working with law enforcement agencies, city leaders, residents and businesses to reduce crime and violence by transforming neighborhood parks, and decreasing nuisance business activity that foster crime. Serving as the President and CEO of Community Coalition since 2004, his leadership grew the organization's influence, size and financial standing.

Also, please let us know his Twitter handle, if he has one.

Thank you very much. Let me know if you have any questions at this point.
